Fax : +62 21 4528192

FlameStop's range of mobile/wheeled extinguishers are best used where a large amount of fire extinguishing agent is required. The 70kg ABE mobile extinguisher is the middle of the range in terms of size and can be used on Class A, B, C and E fires. Features include stainless steel cylinder, ultra high UV powder coated red finished and a galvanised powder coated red trolley.

Extinguisher Type: Mobile - ABE
Product Code : M70ABEM
Brand : FlameStop
